### A job well done: GRAMS staff are fully vaccinated

#### GRAMS staff are now 100% vaccinated against COVID-19!

Chief Executive Officer, Deborah Woods commends the GRAMS team for rolling up and getting vaccinated.

"This is a big milestone in protecting our staff, our patients and our community against COVID-19," said Mrs Woods.

"It's important that as frontline workers, we are fully vaccinated when the borders open next month," said Mrs Woods.

"Well done to our team for stepping up and getting their jabs and doing our part to protect the community."

She added, "If you haven't been vaccinated and would like to find out more, please call GRAMS on 9956 6555 to have yarn to one of our team members about the COVID-19 vaccine."
